

Sponsorship Application Form

Leff's Sponsorship Rules:

1. Sponsorship forms must be turned in at least 2 weeks prior to league registration deadline.
2. No sponsorship checks will be issued on the spot.
3. No forms will be accepted without a completed roster on the reverse side. Even if you are a team we have sponsored before.
4. All team sponsorships will be reviewed by Leff's and the appropriate sponsorship amounts will be determined. Please allow up to 2 weeks for us to process your form. You will receive a phone call or an email regarding your sponsorship and the status of your check.
5. Sponsored teams must patronize Leff's on the days they are sponsored. Teams that do not meet this requirement will not be sponsored in the future.
6. Let your server know you are sponsored by Leff's and your team captain name when purchasing any thing (beer, soda, food, etc) on game days so we can add your purchase to your team points.
7. Teams must pay their own league fees. Team captains will be reimbursed with a check.

I have read and understand the sponsorship rules above.
